**O R D E R :**

The All India Council for Technical Education in their letter 1<sup>st</sup> read above, conveyed their approval for establishment of New Integrated Campus with Multi-Discipline as "Bharath Educational Society's Group of Institutions, Golden Valley Campus, Adj. NH-5, Angallu - 517 325, Andhra Pradesh" for the academic year 2009-2010 with 240 seats in faculty of Engineering and (60) seats in faculty of Management course.

2. The Commissioner of Technical Education in his letter 2<sup>nd</sup> read above has requested to examine and issue necessary orders in the matter.

3. Further, the ICET-2009 2<sup>nd</sup> counseling is going to be started in the 1<sup>st</sup> week of September, 2009 and EAMCET Web counseling programme started on 3<sup>rd</sup> August, 2009 and there is no scope for repeating the counseling for the above said programme starting from rank 1 onwards in any subsequent phase of counseling and if colleges have to be included at this stage in the counseling process by repeating the whole counseling from rank 1, i.e., in order of merit, it would cause undue delay in completing the admission process and commencing the class work for the academic year 2009-10. Hence no permission has been accorded at Government level, for setting up new Engineering colleges or for variation of intakes / introduction of new courses in existing colleges for Engineering courses.

4. In view of the above position, Government, after careful examination of the matter, hereby accord permission for establishment of New Integrated Campus with Multi-Discipline to the following Institution for MBA course only during the academic year 2009-2010, subject to fulfillment of conditions laid down by the All India Council for Technical Education, New Delhi and subject to affiliation from the concerned university.
